

**Saturday, November 18, from 9:00 to 11:00 a.m.  
The Episcopal Church of St. Mary the Virgin  
Parish Hall  
2325 Union Street, San Francisco**

At this time when 815 million people in the world suffer from chronic hunger, please join us in packaging meals for an impoverished community in partnership with Rise Against Hunger. We will package the food, and RAH will then ship it to Asia, Africa, or Central America, where their local partner will distribute it to an impoverished community.

Everyone of all ages, parishioners, friends and supporters, is invited to attend. This Spirit-filled, joyful, community-building event, with Thanksgiving just around the corner, is an opportunity to show our gratitude for God's many blessings and gifts to us—especially our abundance of food.

Please RSVP at your earliest convenience as participation is limited.
