

**St Mary the Virgin
Sunday School Green Honor Roll**

REDUCING LANDFILL

I can name

- one way to REDUCE my use of something that harms the environment
- one thing I can REUSE (or make better use of) rather than buying another one
- five things that go into the BLUE collection boxes in our city to be RECYCLED
- five things that go into the GREEN collection boxes in our city to be COMPOSTED

I can explain

- the 3 R's, and why doing these things helps to protect and save the environment.
- how living things help turn food waste into COMPOST, and why composting helps the planet

This week at home

We REDUCED our use of _____

We REUSED _____ (and turned it into _____).

We RECYCLED _____

We COMPOSTED _____

SAVING WATER

I can name

- three things that we can do in our home to SAVE WATER.

I can explain

- how saving water helps protect San Francisco Bay

This week at our house

We saved water by _____ and _____.

SAVING ENERGY

I can name

- three things that we can do in our home to SAVE ENERGY.

I can explain

- how saving energy helps protect the environment

This week at our house,

We saved energy by _____ and _____.

ENJOYING NATURE

I can name

- three places that I have been where I spent most of my TIME OUTDOORS
- three THINGS I LIKE TO DO when I am outdoors
- three ANIMALS I have seen living in the wild
- three WILD PLACES ON THE PLANET that I would like to visit
- three things I can do to leave NATURAL SPACES the way I found them

I can explain

- what it means to be a STEWARD of the environment
